

CURRICULUM VITÆ

PERSONAL DATA

Name Jan Heufer
Nationality German

PROFESSIONAL ADDRESS

Address Department of Applied Economics
Erasmus School of Economics
Erasmus University Rotterdam
PO Box 1738
3000 DR Rotterdam
The Netherlands

Office H 12-14

E-Mail heufer@ese.eur.nl

EDUCATION

April 2015 *Technische Universität Dortmund*
Habilitation

10.2005 – 03.2010 *Ruhr Graduate School in Economics and Technische Universität Dortmund*
Dr. rer. pol. (Ph.D., Economics)

10.2001 – 09.2005 *Europa-Universität Viadrina, Frankfurt (Oder)*
Diplom-Volkswirt (equivalent to M.Sc. in Economics)

RESEARCH INTERESTS

I am a universitair docent (assistant professor) at the department of applied economics and the behavioural economics group of the Erasmus School of Economics. My research interests are the theoretical and empirical analysis of observable choices in relation to demand theory. I am particularly interested in revealed preference theory and its application to experimental data. Applications include topics such as choice under risk and uncertainty and social preferences.

RESEARCH

Publications “Homothetic Efficiency: Theory and Applications” (forthcoming), *Journal of Business & Economic Statistics*, joint work with Per Hjertstrand

“Afriat in the Lab” (2017), *Journal of Economic Theory* 169, pp. 546–550, joint work with Paul van Bruggen

“Consistent Subsets: Computationally Feasible Methods to Compute the Houtman-Maks-Index” (2015), *Economics Letters* 128, pp. 87–89, joint work with Per Hjertstrand

“Nonparametric Comparative Revealed Risk Aversion” (2014), *Journal of Economic Theory* 153, pp. 569–616

“Generating Random Optimising Choices” (2014), *Computational Economics* 44(3), pp. 295–305

- “A Geometric Approach to Revealed Preference via Hamiltonian Cycles” (2014), *Theory and Decision* 76(3), pp. 329–341
- “Quasiconcave Preferences on the Probability Simplex: A Nonparametric Analysis” (2013), *Mathematical Social Sciences* 65(1), pp. 21–30
- “Testing Revealed Preferences for Homotheticity with Two-Good Experiments” (2013), *Experimental Economics* 16(1), pp. 114–124
- “Testing for Utility Maximization with Error and the Loss of Power” (2012), *German Economic Review* 13(2), pp. 161–173
- “Stochastic Revealed Preference and Rationalizability” (2011), *Theory and Decision* 71(4), pp. 575–592
- “Stochastic Homothetically Revealed Preference for Tight Stochastic Demand Functions” (2009), *Economics Bulletin* 29(3), pp. 2474–2479
- Working Papers “That’s just – not fair: Gender differences in notions of justice”, Tinbergen Institute Discussion Paper TI 2015-103/I, joint work with Nicole Becker and Kirsten Häger
- “Revealed Notions of Distributive Justice I: Theory” and “Revealed Notions of Distributive Justice II: Experimental Evidence”, *Ruhr Economic Papers* #443, #444, joint work with Nicole Becker and Kirsten Häger
- Conferences/Talks Foundations of Utility and Risk (FUR) (2016), Warwick
- Foundations of Utility and Risk (FUR) (2014), Rotterdam
- IFN Research Seminar/Visiting researcher (2013), Stockholm
- SFB 649 Workshop (2013), Berlin
- European Meeting of the Econometric Society (2012), Malaga
- Spring Meeting of Young Economists (2012), Mannheim

- Spring Meeting of Young Economists (2011), Groningen
- International Meeting of the Association for Public Economic Theory (2009), Galway
- Jahrestagung des Vereins für Socialpolitik (2009), Magdeburg
- Jahrestagung des Vereins für Socialpolitik (2008), Graz
- Doctoral Meeting of Montpellier 1st edition (2008), Montpellier
- Reviewer B.E. Journal of Theoretical Economics, *Econometrica*, *Economics Bulletin*, *Economics*, *European Economic Review*, *European Journal of Operations Research*, *Experimental Economics*, *German Economic Review*, *Journal of Economics and International Finance*, *Journal of Mathematical*

Economics, Operations Research and Decisions, Scandinavian Journal of Economics, Theory and Decision

Awards
Top Talent Researcher Award 2017 of the Erasmus School of Economics
Reinhard-Selten-Preis 2009 (Young Author Best Paper Award) of the Verein für Socialpolitik (association of german speaking economists)
Paul-Klemmer Scholarship of the RWI Essen, Ruhr Graduate School in Economics (2005–2008)

TEACHING EXPERIENCE

2017–2018	Behavioural Economics, Bachelor Lecture, <i>Erasmus School of Economics</i> Applied Behavioural Economics, Master seminar (supervisor of student groups), <i>Erasmus School of Economics</i>
2016–2017	Behavioural Economics, Bachelor Lecture (50% of lectures by me), <i>Erasmus School of Economics</i> Applied Behavioural Economics, Master seminar (supervisor of student groups), <i>Erasmus School of Economics</i>
2015–2016	Behavioural Economics, Bachelor Lecture (50% of lectures by me), <i>Erasmus School of Economics</i> Applied Behavioural Economics, Master seminar (supervisor of student groups), <i>Erasmus School of Economics</i>
Winter 14/15	Seminar in Economic Theory: Topics in Microeconomics – Theory and Experiments, <i>TU Dortmund</i> Economics of Informations, <i>TU Dortmund</i> Bargaining Theory, <i>TU Dortmund</i>
Summer 14	Industrial Organisation, <i>TU Dortmund</i>
Winter 13/14	Seminar in Economic Theory: Axiomatic Methods in Microeconomic Theory, <i>TU Dortmund</i> Economics of Informations, <i>TU Dortmund</i> Bargaining Theory, <i>TU Dortmund</i>
Summer 13	Industrial Organisation, <i>TU Dortmund</i>
Winter 12/13	Economics of Informations, <i>TU Dortmund</i> Bargaining Theory, <i>TU Dortmund</i>
Summer 12	Seminar in Economic Theory: Conflict Economics, <i>TU Dortmund</i> Seminar in Economic Theory: Evolutionary Game Theory, <i>TU Dortmund</i>
Winter 11/12	Bargaining Theory, <i>TU Dortmund</i>
Summer 11	Seminar in Economic Theory, <i>TU Dortmund</i>
Winter 10/11	Economics of Information, <i>TU Dortmund</i>

Winter 09/10	Economics of Information, <i>TU Dortmund</i>
Summer 09	Tutorial for Industrial Organization, <i>TU Dortmund</i> Seminar in Economic Theory, <i>TU Dortmund</i>
Winter 08/09	Economics of Information, <i>TU Dortmund</i>
Summer 08	Seminar in Economic Theory, <i>TU Dortmund</i>
Winter 04/05	Tutorial, Microeconomic Theory, <i>Europa-Universität Viadrina</i>
Winter 02/03	Tutorial, Microeconomic Theory, <i>Europa-Universität Viadrina</i>

CURRENT/PREVIOUS POSITIONS AND VOCATIONAL EXPERIENCE

since 05.2015	<i>Universitair docent (assistant professor), Erasmus University Rotterdam</i> Erasmus School of Economics, Department of Applied Economics Behavioural Economics Research Group
08.2010 – 04.2015	<i>Wissenschaftlicher Mitarbeiter, TU Dortmund</i> Lecturer and research associate at the chair of microeconomics
04.2010 – 07.2010	<i>Senior Associate, KPMG</i> Consultant, Global Transfer Pricing Services
10.2008 – 03.2010	<i>Wissenschaftlicher Mitarbeiter, TU Dortmund</i> Lecturer and research associate at the chair of microeconomics
10.2002 – 03.2005	<i>Student Assistent</i> Tutorials in microeconomics, Assistance for economic experiments, organization and conduction of exam preparation course for microeconomics
08.2000 – 06.2001	<i>Zivildienst</i> “Civilian Service” (substitute for military service)
